“Help demonstrate your support for our student athletes”

The Argenta-Oreana Sports Booster Club, a non-profit organization run by parent volunteers, was created to support A/O Middle and High School student athletes and their coaches. Our funds are raised through sports program ads, A/O Bomber apparel sales, Chili Supper event, Market Day sales and other fundraising events. All Booster profits are exclusively disbursed to A/O athletic programs and scholarships. In the past year, A/O Sports Boosters allocated over \$10,000 in support of A/O athletic program requests. In addition, the Board members continue raising funds for the New Bleachers for the Football Field. Join the A/O Sports Boosters and show your support!
