

A/O Sports Booster Club

Membership Form

The Argenta-Oreana Athletic Booster Club is a group of parents, friends, and alumni working together with the athletic department to provide moral and financial support to the Argenta-Oreana High School and Middle School athletic programs. The overall objective is to create individual, group and community pride, and through this pride, a spirit of unity!

Our funds are raised through sports programs ads, Bomber apparel sales, Chili and Spaghetti events and other fundraising efforts throughout the year. In the past we have allocated over \$8,000 in support of A/O athletic program requests including a scoreboard for the softball field, wrestling mats and helping in the fundraising for the new bleachers and press box at the football field.

All funds raised are disbursed to A/O athletic programs and scholarships.

Please join us and show your support and Bomber Pride!!
